

Memorandum of Understanding

Between the European Glaucoma Society (EGS) and the Uruguayan Glaucoma Society (UGS)

Date: 12th April, 2026

The European Glaucoma Society (EGS) and the Uruguayan Glaucoma Society (UGS), collectively referred to as "the Societies," agree to collaborate under the following mutual principles with the shared goal of promoting education, research, and improved care in glaucoma management.

EGS Commitments to UGS as a Partner Society:

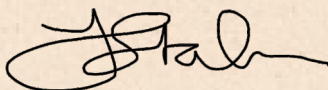

1. Members of UGS may attend EGS meetings at a token discount fee.
2. EGS will prioritize the inclusion of a UGS symposium in upcoming EGS Congresses. The rules for hospitality/support for this event will be the ones applicable by the overall meeting congress policy towards national symposia.
3. EGS will prioritize the translation of EGS educational materials into a chosen language by the UGS
4. Upon invitation, EGS will send a delegation to UGS meetings, including sessions, symposia, or the main congress program. EGS will not be providing support
5. EGS will include the UGS society link on the EGS official website under the folder "Partnerships".

EGS Requests from UGS:

6. UGS will offer reciprocal reduced registration fees for EGS members attending UGS meetings.
7. UGS will allow the display of EGS educational materials at UGS events.
8. UGS will place a visible link on the UGS website directing visitors to EGS educational content, meetings, and resources.

This agreement reflects a shared commitment to fostering international collaboration and educational exchange within the glaucoma community. This Memorandum is valid for a duration of two (2) years and will be automatically renewed unless otherwise specified by either party.
